#### **All Participants Please Note:**

**Matches will be conducted on a first come first serve basis (player AND the opponent) in the allotted time. Also since the tournament is conducted on one table, participants may have to wait if other matches are being played before their matches. Hence participants are encouraged to contact their opponents (participant's contact list available on club website) and reach at a mutually agreeable time in the time slot to minimize the wait. Since this is a friendly tournament, walkovers will not generally be given. Hence large time slots have been allotted to complete all scheduled events. If, however, the flow of the tournament is getting disrupted, a walkover will be given. Also, to avoid unpleasantness amongst participants, no change of partners will be permitted once the tournament has started.**
