NOTICE

Members are hereby informed that keeping the go green movement in mind, with immediate effect we will be discontinuing the manual generation and distribution of all receipts. Instead, an automated system has been initiated to send receipts directly to your email address registered with the club.

This shift is aimed at moving towards a paperless system, we are contributing to environmental sustainability reducing processing time, minimizing errors, and ensuring a seamless experience for our valued Members.

We appreciate your understanding and co-operation during this transition. We believe that this upgrade will significantly improve the overall experience for our members.

However, if you still need the physical receipts, you may request the cashier for the same.

Thank you for your co-operation.
