NOTICE

It has been observed that some players at their deal are shuffling the cards with the images facing upwards which is not correct. The dealer should always shuffle in the normal manner with the images facing downwards.

In the 21 Cards Game, in the event of closed deck of cards exhausted twice, all the penalties held by each player will be honored.

It has been also decided that no other player / marker on the table should be allowed to shuffle the Cards for the dealer (except the dealer being physically unfit for the same). Only the dealer at his / her turn should be allowed to shuffle the Cards.
